

OFFICE OF THE MAYOR

October 9, 2009

Dear Friends:

On behalf of members of Council and the residents of the City of Mississauga, I am pleased to extend greetings to the organizers and guests of the Gay Lea Foods Celebratory Luncheon.

For over 50 years, Gay Lea Foods has produced a variety of innovative and competitively priced products for the food marketplace to the delight of households all over Canada. They are to be congratulated on receiving the prestigious Canada's Top 100 Companies 2010 award which is a testament to their strong commitment to their members, employees and customers.

As Canada's sixth largest city, Mississauga is home to an abundance of dynamic companies. It pleases me to see a company such as Gay Lea Foods a member of the Mississauga business community which adds to the success of our economy and city.

Once again, on behalf of my colleagues on Council and the residents of the City of Mississauga, I congratulate Gay Lea Foods on receiving this award and wish them all the best for continued success.

Sincerely,

HAZEL McCALLION, C.M.
