# Nordica® Single Serve Cottage Cheese

*A healthy little snack with big benefits.*

**Made from 100% Canadian Dairy Milk,**  
**Nordica® Cottage Cheese is a nutritious choice:**

- **High in protein** – each Nordica® Single Serve Cottage Cheese cup (113 g) provides 11 g of protein - more than 2 eggs. Enjoying protein rich foods can help increase satiety and curb hunger between meals, making it a great choice for a healthier lifestyle.
- **Low in fat or fat free**
- **Good source of calcium** – for good bone health.
- **Prebiotic (inulin fibre)** – each cup contains at least 9% of the recommended daily fibre value.
- **Probiotics** – over 1 billion live bifidobacterium BB-12™.

**1% MF Flavours:**

Strawberry • Peach • Pineapple • Plain

**Fat Free Flavours:**

Summer Berry • Orchard Fruit

**Operationally, it's a winner!**

- Great Brand Recognition
- Quality
- Convenience
- Portion Control
- No Operator Handling – Food Safety
